

German Military
Aviation Authority

VITA

Alexander Knorr
Deputy Director-General

Deputy Director-General and executive civil servant

Mr. Alexander Knorr is the Deputy Director-General of the German Military Aviation Authority (GMAA) and thus responsible for all aspects of safety in military aviation in the absence of the Director-General. At the same time, he also is the executive civil servant of the GMAA. In this position, he not only coordinates the various divisions, staff work and internal business affairs but also provides technical specialist leadership in these areas.

Mr. Knorr was born on 12 January 1969.
